“ *To All of the Kids: There are no words to best describe your mother. She was one of a kind and was my mom's friend in high school and the things that they got into was something else. We will never forget all the wonderful memories of many many nights at your house as kids growing up and the fun we had. We will never forget your sweet sweet mother and we will keep all of you in our prayers today and the days ahead. Its the hardest thing losing your last parent... Not a day goes by that I don't think of our mom & dad. Love to ALL of you...!!!*
