“ *I worked at Clarke Industries for 18 years during all the name changes to the company and the move to Springdale. Eddie was a friend. He always had a good attitude, was funny and smart and interesting person to communicate with. I hadn't seen him in a long time but I remember him. He could fix anything, was always smiling, was willing and friendly to everyone. I'm so sorry for your loss. May the Comforter be with you all as you grieve for him. He will be missed. Pat Adams*
