“ I am sad at the news of the passing of my old friend and neighbor Edwin Wood.

Ed lived around the block from me out in North Tulsa when we were kids. He was a year older than me. He was a great guy and a lot of fun to be around. Our families went to church together at valley View Baptist Church. When Ed was about 14 years old - one Sunday morning when he was just a bit late to our Sunday School Class of 7 or 8 boys. . Mike Reedy placed a thumb tack in the middle of the only empty seat left. Ed comes in and sets down on that seat and looks up expressionless. He never felt a thing. A perfect bullseye. I vividly remember all of us boys laughing and telling him what had happened.

He just laughed. I recall picking the tack from the seat of his dark brown slacks.

Always a good guy and a lot of fun to be around.

I lost touch with Ed after high school.

I am sure he had a wonderful life and a loving family.

Happy trails old friend.

Sincere best wishes to hi family.
