“ I would like to thank everyone that knew and loved my baby brother, He was truly a very special Husband and Soulmate to his wife and best friend Chandra, He also loved his girls so very much and was a most important and loving father in many ways, Even though the hardest times he was always a strong and loving man, He loved his Bullies and the joy they brought to him and his family, I want to thank each and everyone of you that knew him, He worked hard his adult life and enjoyed every minute he had with his family, Ehren you are very missed by me and everyone that knew you.
