“ My Aunt Elaine has surely gone on to her heavenly glory as she well deserved it for all of the people she helped in her life. I cannot think of a more down to earth, loving, and strong woman than she. I'll carry her upper most in my memories of those most influential in my life. Uncle Lee my heart and thoughts are with you and as the months go by, please feel free to call, write, or come out and visit. It is a heavy journey to bear alone. I am here for you.

love,  
Patty
