“ She was a sweet kindhearted woman. She was there for my mom when she went in for test and there when dad was bad. I'm going into the hospital tomorrow and mom's not able to attend. We want you all to know how sorry we are for your loss, my God give you peace and she'll never be forgotten.

“ I had the opportunity to meet Ms. Bo through my mom. Every time I came into town, I would go over and visit with her. She was an absolute love, upbeat and quick to smile. She enjoyed people and hugs. I bet her collection of Angels are singing with her entrance to heaven. Rest In Peace Ms. Bo.

“ The last few years have been so fun as Kind at Heart would bring people to picnic under Bo’s carport and serve her neighbors. She always was so excited to participate in our community events and Rib crisp dinners. She was my definition of “Pure Joy”. She will be widely missed but never forgotten. Her legacy will be in the hearts of those who knew her forever.

Thank you for teaching us all how to “Live Well”.

“ I’m very sad that Bo has gone from this earth. She was a remarkable woman with hugs and smiles. She will not ever be forgotten! I lost my Mother 3 months ago, she was also 92. She and my Mother liked one another and had common interests. Although they did not see one another for some time, my Mom always remembered her and how sweet she was. We are praying for you all and understand the sorrow you feel. May God Bless all of you during this time of sadness and you lay your Mother, Grand Mother, Great Grandmother to rest. Love and Hugs for you all. Pat and Dale Adams
