“ My mother was a very special lady. She loved life, her family, grandkids, and all of the great and great great grandkids. Both of my children (Iris, Leonard (Bub) mom always called him Lennie, remember fun times with her and dad, also my greatgrand kids all meet her and loved her very much. I am remembering my mom the last time I saw her 4 years ago, when we went to the wedding of one of my grandson down south. then Mom, Ruth and I had some special time which I will never forget when we run around together and the fun times then. Mom I know you are with Dad, Ruth, Dixie and all of the other relatives are together in Heaven. Someday we will be together. Love you Mom.

“ Aunt Elda was a very special lady, I used to love the time spent with them when we came to AR. It's too bad when we lose touch with those we love, because of time or distance. It is wonderful to know that we will see her in heaven.

“ Mom was a wonderful mother, she had a love for the Lord, to me a very talented mom. she loved to garden, loved flowers, loved to cook, and loved all of us kids, grand kids. I have two children. She went with me to Virginia Beach, VA to Paul Nelson Wedding 4 years ago this month, she had a ball at the wedding. Fun with the other kids. When Mom, Ruth, Dixie and I went to Glacier Park, Canada, we had a ball, she spent time with Bub, Debbie, Jesse and Amanda.

I am sorry I could not come down for the funeral, I know Mom is looking down on all of us in Heaven with dad, Ruth, Dixie and the rest of the family that is in Heaven. Just think when Christ returns we will all be together. Praise God. Love you Mom

“ Leonard, Elda, and family will always hold special memories and places in the Taylor's hearts. Our families have lived, worked, played, worshipped, and shared both good and bad times since the 30s. I'll never forget the times spent together at Bethel Heights as a boy.

Elda will always be missed, and we loved her as family. She was a special lady.

Wish we could be with you during this time, but our prayers are sent.
