“ Shirley, I know that your Mother was very special to you. I always thought of her as being very strong and independent even though she was such a petite lady. Losing a parent is not easy no matter how much you may have prepared for it. I'll be thinking of you in the coming weeks and hope that you are able to recall a lot of wonderful memories that you made with your Mom. Love, Jeanne

“ Back in the 1960, I worked with Janie at Peterson Industries and enjoyed the experience. She was a fun and lively boss. I was saddened to hear of her passing. Your family will be in my prayers.
