“ Beth was like a second mother to me for years. We lost touch in the last few years and I missed that friend and mother figure alot. Just want the family to know I loved her very much and will never forget her. My sympathy to you for your great loss.

“ Alot of great memories as a little girl. My favorite memories: Gramma's fried chicken, snickerdoodles at christmas time and 'little-bits'--the snapping little dog. Great childhood memories.

“ Beth and I worked together many years ago and there was never a dull moment when she was around she was a joy. We laughed all the time. I saw her awhile back and she had not changed any. My thoughts and prayer are with you. God Bless

“ I remember many special times at Beth's house as a young man. Beth was a very hospitable and fun lady. I especially enjoyed her great cooking. We spent many Sunday afternoons watching football and enjoying good food. I will treasure many great memories and times we shared. She was loved and will be missed.
