“ Betty was such a special person to our family. Bob loved her like a Mother. We had so many good times together. Many wonderful memories. Loved to sit a listen to her play her organ; never had a lesson, never read a sheet of music but could she make music! She had any interesting stories she shared with her. A very hard worker. Always was busy doing something: sewing or crocheting. She read a lot too. I will cherish the wonderful memories that I have!
