“ *As just a young kid living on our farm just north of Cherokee City, Ar I will always remember the the first time I met Elmo. What a wonderful hard working and funny, witty person he was.He became a friend to all the Meeker family as each of us was pleased to friends with him.*

Working with Jim, Bruce, J.D., Mo and their crews was some of the most enjoyable times of my life even though it may have been in hot dry days in the hay field. We put up a lot of hay on the Meeker farm and assisted many more farmers in the same effort.

His love for hunting and fishing lit up my fathers eyes for Dad knew if he went hunting or fishing with "Mo" it was going to be interesting and fruitful. Dad told of the many times he would get the deer they were after. Awesome with a rifle, hands, or a knife. I wish that I would have had more time with "MO"..but you see that is what we all say when a friend passes. Thanks again MO for the awesome memories. . May God rest your soul in perfect peace. Amen John Meeker
