“ *Steve , I am so sorry for your loss. She always had a smile on her face and an infectious laugh. My memories of her take me back to Guam, where you were the center of my universe, Yolanda and young girl and Scott just a lil knobby knee'd fellow. I was blessed to pop in from time to time over the years to simply say she crossed my mind and share a memory. Recently again I was blessed to speak with her and share a few stories . I know she is exactly where she was waiting to be, and know she has found peace . She will always remain in my heart . There's a party in the heavens and she is right in the center!*
