“ I had the pleasure of knowing Erich and Jeanie, coming to thier home a few times a week for exercise. I always had such a good time visiting with them, and they treated me like family when I was there. Erich loved to feed me a piece of cake, and we always sat down and had a cup of coffee together. They always hugged me goodbye, and told me they loved me. What a sweet couple, I loved them both. I am so sad for your family, to have lost them both this year, but I am also comforted knowing they are reunited. I am blessed to have known them, and I will always remember their sweet faces, and kindness. God bless your family. We will see them again someday!

“ *Little Eric, so sorry to read about the loss of your Dad. I worked with your Mom many years ago at Leisure Lodge, I loved her dearly. The last time we talked, they had just moved. I never met your Dad, but I heard about him and you every day I worked with Miss Jeanne.*
