“ *Our Mother*

*Our Mother is an Angel sent from  
Above, To care for us, to guide us, to teach us how to love.  
She cried for us, she cried because of us, but she never took away  
her love.*

*We didn't know what she meant to us  
until she returned to her home above.*

*We cherish her memory.*

*We cherish her love.*

*Where would we be without her,*

*Our Angel from above.*

“ The things I remember most about Grandma Clark was her coffee cup... she always had one nearby; her big heart, she was always busy doing something... usually something for her family... how she would make grandpa a sandwich or some aspirin then forget and eat it herself; but most of all I remember she always had a hug ready and waiting and a smile to cheer my day. I miss her a lot!
