“ Jan & family... I was saddened when I heard of Gene passing. I can remember the first time I met Gene, in Louie Thomas garage in 1964. Everyone was working on a 1932 Ford Sedan. I was amazed that he could look at a bolt and immediately know which size socket to pick out of the tool box. He was a very talented and amazing man.

“ I'm very sadden to hear the passing of Eugene. In the 80s we spent a lot of time together. Reconnected a few years ago and my life was better for it. My prayers go out to Jan and the family during this time.
