“ Mandy will be missed so much. Our children will always remember her as a fun loving spirit.

She has been such a major part of our lives. Gary & Ruth, I reflect back to the good times we have had with Mandy. She never appeared to be jealous of the relationship that we had with each other, and showed much love and support for us and our children and grandchildren.

I never shop for shoes without thinking of Mandy. I was so sure that I would be able to help her find lots of shoes that would fit and that she loved. What a mistake...after hours of shopping and her wearing herself out we never did find a pair of shoes that pleased her. Do you think that she has a beautiful pair on in heaven??

Although none of us were happy with the cigarettes or the booze...this was just a part of Mandy's life that we found so very entertaining. Lenora will always remember helping her out with this. I'll never forget us trying to fox her out with the drinking...she would catch us every time.

We loved having her at the beach and what a sacrifice for your guys...I know this was good for her. We so enjoyed visiting with her and Janet . Gary and Larry, your mother was such a fun person. A strong willed person, but she did care about her family. We felt we were also a part of this family.

We love her and a little hole is in our hearts knowing that we will not be able to visit with her on this earth but, we will see her in heaven.

Gary, Ruth, Larry & Kim, you have been such good children and what role models for your own children. I admire you guys, you stepped up to the plate with one of you being with her all week-end the past few months. I know it has been rough but you should pat yourselves on the back.

She will be missed by all and we wish we were there to share in your sorrow. Know that we are thinking of you as you go through the next few days and we love you dearly.

*Love to all the family,
Ed & Peggy and Nora says this is also from her.*

“ *?I knew Mandy when we both worked at Bear Brand Hosiery in Siloam Springs. I was just a scared kid starting my first real job. Mandy was always there with a smile or a joke. She made me feel light hearted even on a bad day. I ran into her again during a short stay at the Siloam Springs Nursing and Rehab, just a little older but still the same smiling Mandy I remembered from years ago. She will be missed by all whoever met her and my sympathy to her family, May God Bless.*

“ *I feel very priviledged to have had the honor to know Mandy and Jim. It was such an honor and priviledge to be able to care for them, and to bring them comfort. I learned so much from Mandy, and will miss going to work on Monday morning and not seeing her setting there to greet me. Thank you for sharing your mom with me. You are in my prayers*
