“*I was so sad to get Sandra's call, but we know she has gone to claim her reward in Heaven. Emogene (and the rest of your family) was an important part of my life since the 6th grade. I remember fondly as a teenager shopping at Hunt's - she always sold me things based on "Dougie wears this..." which was good enough for me! I am grateful to have had such a nice visit with her last year shortly before my mother died. My thoughts and prayers are with you now and always and I send my sincerest sympathies and much love.*

“*Oh, the memories I have of this sweet lady! I spent much time in the King home during my school years. Emogene was like a second mother to me. Other than her Lord, her family came first. I couldn't begin to count the times she's hauled a car load of girls to ballgames, to shop, or just for an outing on a Sunday afternoon. And she made the best tuna salad sandwiches in the world! Her home was always opened to her children's friends, and we always felt welcomed there.  
She touched many lives and will be fondly remembered by many. I pray for her family as I know they will miss her terribly. But for Emogene, I rejoice.*
