“ Always known to me as Aunt Peewee, she was very special to me. When I was a child, I went to stay with my mama and papa, Jodie and Pudge Spriggs in Ponchatoula, La., for the summer. Some of those trips back and forth to Louisiana, we stopped to stay with Aunt Peewee. I don?t remember who was taking me there or bringing me home, but I do remember her. She always made me feel so special. I remember her staying up with me one night because of an earache and somehow making it better. I have a lot of scattered memories of her, and she will always be in my heart.

My mother, Glenda, and I had the pleasure of having lunch with her and Aunt Marie last month in Sapulpa. We had a lovely afternoon and she looked so young and beautiful in her perfectly pressed jeans and shirt.

I am very sorry for your loss, she was a great lady!
