“ Growing up in Kansas City, a visit to our Siloam Springs Aunt Ruby and her kids Evelyn, Edgar and John was always a great treat. Just as it was when they came to our house. As we got older we didn't get to see each other near as often as we should have, but Evelyn will always be remembered with love. One thing we could always count on, our first Christmas card every year was always from Evelyn. Thoughts and prayers are with each of you there.

“ I am remembering the day Aunt Evelyn took me to the spot where she would be buried and spoke with such joy about the fact that we would all one day be united in eternity! How wonderful to know for certain that this separation is temporary, and eternity with the Lord and our loved ones is forever!
