“ He came to visit me when I gave birth to my youngest. Jerry hadn't got there just yet so Fabian waited awhile for him to show up. He was holding Jerrika and talking to my older girls. My oldest popped off she has your eyes!! Quickly he stuttered out no, I don't think so. The whole room started laughing. I was embarrassed but kids will be kids. Fabian then said he would wait in the hall for Jerry. Taking my newborn with him... he walked in with Jerry and both were laughing bc Fabian got stopped asking if he was the father. Jerry apparently said nope I am. Throughout this whole time Fabian still holding my daughter. It took her crying bc she was hungry for him to put her down.
