“ I remember coming back from Iraq and being greeted with open arms by my Aunt, Fayelene. I spent so much time in Tulsa with you and my cousins as a child that I felt I was one of your own kids. The pranks your kids pulled on me are priceless! Thank you, Fayelene for greeting me when I made it back, welcome to your new home. Your memories will forever live on in our hearts and our minds!

“*Faylene was a wonderful lady whom I grew to love just like a Mother. She gave me advice when I needed it, and I truly fell in love with her loving kindness. I am so sorry for the loss of her absence here on earth, but know in my heart I will see her again in Heaven. God has chosen a wonderful Angel to watch over us now and she is missed so much! Love and Prayers to all of her family! My grandbaby Adison says Bye Bye Ms Fay You watch over us now. She is 3 and Ms Fay and Adison were truly best friends. She says to the family "Jesus keep her safe". I love you Ms Fay*
