“ I wish you all the best in your time of sadness. I remember all the fun times we've shared over the past 30+ years, especially the time Festus took me "scuba diving" when Grandpa George and Grandma Olive lived on the Lake there at Grove, OK.

He will will certainly be deeply missed.

May God bring you comfort in your time of need.

“ My sincere and deepest sympathy to you Kay and family. Festus was a good person that was called home way too soon. May God bring you comfort during this sad time.

“ Kay & Olive,

I am deeply sadden to to hear of Festus passing away. I know that this time is extremely hard, but my prayers and thoughts are with you.

I really enjoyed the times that Festus and I got to visit, especially the visits over the past couple of months. The last time we visited, we talked for several hours.

I will always remember his laugh and his ingenuity.

“ We have been friends with Kay and Festus for over 30 years. and have a lot of special memories. We always spent New years eve together in person or on the PH if out of town. One special memory was a trip from Ks that I made back to AR for New years eve and and saw Festus parked on the road about 40 mi from their house. He was on his way home form a trucking job. It was getting dark and I didn't drive at night. Bob couldn't go with me this time and I had 2 small children. I had prayed for the Lord to show me how to get there. PTL he sent Festus and I followed him all the way . The Lord sure meets you where you are. I pray God will be with you kay and family at this time. We love you much. Wish we could be with you
