“ Floyd was a great friend! I enjoyed working with him at Gates for 10 years.

He was a down to earth fellow and a hard hard worker.

He loved his family. He loved Cheryl so much.

We had many laughs together throughout the years working together. He was one of my better friends at work. I can hear his laugh now and see him riding his scooter. He was so proud of it. I hope he is riding his scooter now on the golden streets of heaven without any sickness or pain.

We will all miss you so much Floyd, but I have learned throughout all my sorrows and sadness from losing my mother, brother, Father, Mother in law, grandma, grandpas, and many others that we all belong to God and Jesus and one day we will all be together again in his kingdom.

Rest in peace my dear friend!

“ Floyd and I had some real challenges during my time at Gates. Some we laughed about and some we wondered who was going to get canned first, but no matter good or bad, thick or thin Floyd was always right there with me.

I think about his laugh and it makes me smile. I think about not hearing it again and it makes my heart hurt.

Safe journey old friend?

“ *My heart is so heavy for the family. Floyd was so young. But my remembrances of him are very fond. I grew up playing kids games with him and his brothers....and they were very happy times. My Mom and his Dad are brother and sister... and as cousins go....he was the best. He was such a nice young man. I pray for peace for his family. Again my love and prayer are with you during this time.*
