“ I remember Frances from way back when her children attended school with me and my brothers at Moseley School. We were neighbors of the Duncan family. I also remember her from Calvary Baptist Church. What a wonderful lady. Her children and family can be proud.

“ Frances was very special to our Bible Study Group and will be missed greatly. She was always helpful and caring and I don't remember hearing her complain about anything...ever. We all loved her and were blessed to have known her.

*She was so proud of her family and grand kids. We could hear how much she loved you all in the way she would talk about you. She sure set a good example for us follow.*
