“ We have sweet memories of the period of time both our families worked together at Webb Wheel. Frances and I formed a sweet friendship as we worked and shared our plans during those days as we were both expecting - two little girls. Sweet memories.

Glen, our thoughts and prayers are with you and your family.

“ I think back to when the kids were all so young and all of us would travel to Heavener to have Christmas at the King ranch and while the house was big we filled it up with family and kids and oh how the women took care of all of us they were such good times getting to visit and play with everyone it was always family first way back when which it should be today. I still remember Bill telling the story about how Glen raved about my mothers pie one time and after that it was a long time before Glen got another pie from Frances.
