“ *Ruth*

I am lost for words at this time, but do know what you are feeling.

Looking back, I am still amazed at all his accomplishments in life.

I feel that my life was enriched by knowing Frank & Reba.

And then there was the times with your Mother. Precious times at McDonald's.

Our thoughts and prayers will be with you at this time.

He will truly be missed.

“ *Frank was a great friend and fireman. His heart was always to see that Kansas, Oklahoma was the best community it could be and he did everything possible to see that happen by helping build the fire department and serving on the town council. I will miss my buddy, Frank.*

“ Ruth, I'am so sorry about Frank my thoughts & payers for you and your family. I can remeber He always had something to say about our many trips to get your clothes for each season, and making fun, making us laugh. Treated me like daughter and for that he walked me down the aisle, kept telling me I was knocking him off balance. He always up to go anywhere, to eat or just go. “ No matter how long time went by and we didn't see eachother, he still would ALWAYS remember who I was. I loved just running into him at Wal-Mart and him always smiling. He was such a dear sweet man, with a beautiful personality. I remember him always calling into the news station to give the temp. and being so happy when they mentioned his name on TV. We will miss you Frank and may you R.I.P. Thoughts and prayers to the family.

“ Our thoughts and prayers are with you, Ruth. Frank was quite a man. I have a lot so funny memories of him when he spent so much time with our family. He was always ready to go with us to eat or to our house for someones birthday. He really enjoyed our weekly outings to the Harvest House. May God fill you with great memories, too.
