“ *Feeling sad at losing Skeet now, but look forward to the day when I get to see him again. Forever in Paradise will help him to forget the suffering he endured in this lifetime. Just keep remembering the promise made at John 5:28, 29, about the resurrection.*

“ *Skeet was a wonderful and caring person. He was a giving person that gave not only to friends and family but to our country. He suffered many years due to serving in the war and we are all proud of him and will never forget him. I had not seen him for some time but I can remember that he always had a smile on his face. May god bless all the family and they will be in our prayers.*

“ Dear Ruth, Doyle, Earlene & family,
Skeet was such a great friend to my brother Jack and such a positive, friendly and caring man. Also, I admire so much all the people who have been so willing to put their life on the line for my freedom such as he did. God be with all of you in the loss of a son and brother. I am so sorry.
