“ They say if you have a hand full of friends you are blessed. And I am. Fred has been my friend for 20 years. His friendship is a golden band on one of my finger of friends. Such a simple man with a golden heart, a tongue of truth and morales pure. I spent many a day laughing, play Sparkle/Farkle, working in the garden, so many different things friends do. Knowing at all times he was honest and true. He'd go out of his way to help. I'm blessed to have had in my life....in my memories...in my heart.....
I LOVE YOU FRED!!!!!!
