“ Well mom it has been 2 years since you went to heaven and life has changed so much for all of us. Chloey is the light of my life...I learned how to be a wonderful grandma from you...she is so much fun, I wish you could be here to see her, dad enjoys spending time with her, he walks in a room and her little eyes light up and those arms go up to him, she thinks he is just it. “ I feel very blessed to have known Frieda, if only over the internet. We sure did have a lot of laughs as the chitheads in Poker...I know that Frieda is clicking that mouse up in the great reward. My sincere condolences to all of her family.

“ I met you by chance on the computer video games - We came to be known at the CHITHEADS - I wanted to spell it differently but you and other members of our very closely knit group chose to clean up our act.

*Im truly sorry we never got to meet but hopefully I will end up in the same place you are (and it better be heaven) and we will catch up then.*

*Rest in loving peace -*

“ I saw Freida as a loving mother to Tammy and as a loving grandmother to Tammy's children. I also enjoyed meeting her when she worked in Dr. Pummill's office. She was a loving lady and a joy to meet. May God be with the family as they learn to live without her.

“ Freida was always willing to help when she could. She was always concerned about other people and how things were going for them. Freida will be missed by all of us.
