“ So many happy memories of fun times with Ben and his family. Prayers for you all as you face life without him, but praising God because we know we will see him again. He has left such a wonderful life testimony behind.

“ One of my favorite memories is his gift of interpretation of tongues. His height and deep voice made the interpretation come down instead of out. He was a wonderful man of God and his legacy is God, family, friends. I'm so blessed to be counted as one. He was a Gental giant unless you messed with him or his, then he was a godly man and no one's doormat. I will miss your voice hollering for the horses & cattle my friend. Our talks will forever be in my heart. Hope to see you soon. Harpazo aka rapture get us all outta here.
