“ *I knew Gail through golf and Paws and Claws. She was such a kind and caring person. She had such a compassion for all animals but especially cats. If it were possible, I think she would've rescued every cat in trouble and either taken them in herself or found them a home. She was on a mission. The world could use a few more like Gail. She will be missed.*

“ *Roger and Donnetta:
You both are in my thoughts and prayers. I cannot imagine what you are going through. I do know that she is in a much, much better place. No more sorry, no more pain!! Isn't that awesome?!!
I think the world of you both! You will always have a special place in my heart.
Donnetta, you are like a sister to me. I cherish your friendship more than you will ever know.*
