“ Dear Judy, Renee, Christi and Mike ~

I just wanted to tell you all how sorry I am to hear about Gary. I know this is a very sad time for you all. I wanted to tell you that when I waitressed, Gary was one of my favorite customers. He always made me smile and laugh when he came in the cafe. He was so funny all of the time. He always had me laughing (usually at my own expense). When I quit waitressing, I missed seeing him and Judy. I would run into Gary at the post office or gas station and he would always stop and talk for a few minutes. He always asked me how my job was going and how my family was. I lost my Dad this year on August 1st. My dad and Gary grew up together, so I am sure they are reminiscing now. I know you all have some wonderful memories that you will treasure for a lifetime now. Lean on those memories as those memories will bring some peace and comfort to you. I love you all.....Tammy Boyle Smith

“ *Dear Judy and Family,*

It was with sadness and joy that Regenia and I heard of Gary's passing into the next life. Sadness because he was a man of whom we thought highly and a man we will miss. Joy because there is no pain or suffering in the next life for God's children.

For all the time I knew him, he was a man's man- full of life and great stories- a man who lived life large. He made me laugh a lot.

He was always willing to help others, including my family, and I admired and respected him for that part of his character. .

Regenia and I will pray that Jesus wraps you all in His arms of peace and comfort.
