“ *Donny and Debby....was sorry to hear about your dad and husband. Gary was a really nice guy. My first thought of Gary was in Junior English..my first year at Colcord...Gary, Larry, and Tony were good friends and they keep that class entertaining. We all had good times in school from the football games, powderpuff football, to the Junior and Senior plays.... You all are in my thoughts and prayers...God Bless....*

“ *I feel like i have lost one of my own family members. I love each and everyone of you very much and you know that i will be here for you. I remember Gary being asleep on the couch and i kept tickling his nose and Dana was busting a gut laughing so hard. He wouldn't wake up, just grumbled and kept scratching his face. When he finally did wake up, oh the look he gave me!!! I will miss all those times picking on eachother but always laughing. He is not hurting anymore and i know he is rejoicing in heaven. God Be with each of the you.*
