“ Alice, so sorry to hear of Gary’s passing!
We spent a lot of time together serving in The Arkansas Army National Guard. He trusted my “Full Time Guard” judgement and advise, of which I appreciated. It was not always about work and friendship developed.
Both Chris and I send our love!

“ So sorry for you loss. I never got to meet Mr. Gary, but my Niece Beth was one of the ladies who took care of him at the resident. Her words and thoughts were enough to tell me this was a great man who was so loved by all. I want to thank the family for his service to our country. And to let you know he has touch so many lives. Praying for the family.

“ My condolences to Alice and family during this period of celebrating the Life and memories of Gary. I remember him as a very friendly person who welcomed me as a new student who moved to Camden in 1958. Our 1963 graduating class was one of the last to attend CHS prior to consolidating with Fairview. Having moved from Camden after graduating I was unaware of his 30 year career with the military. I am grateful for his service to our country in Vietnam and Desert Storm. I'm sure he was a great leader in those efforts which protected the freedoms we enjoy today. May our Lord be with all of you as you say farewell and comfort you with His peace as you face the days ahead. RIP my friend for a job well done until we meet again some day. With love, Marilyn K Plunk Hampton, Oklahoma City OK.
