“ Dear Ardu and Family,

I am so sorry to hear about the passing of Butch. There are very few of my childhood memories that don't have the Jackson Family in them. He was like a Dad to all of us growing up. I will carry the fond memories of camping trips, singing around the campfire while he and Daddy (Ron Aumick) played guitar and let us kids sing all those silly songs. The softball games and the long rides in the dune buggies in the desert. Cherished memories. I hope your memories of him will help you through the sorrow and missing him ahead. You are all in my thoughts and prayers.

*With deepest sympathy,
Terri (Aumick) Abbott*

“ Dear Ardu and Family, My sincere sympathy and love to you all. Although I did not know Ken for many years, my memory of him will always be that of a very caring gentleman who stepped up to help anyone in need, giving of his time and energy for those in need.
