“ Dear Brenda & Family:

You don't know me, but my name is George Charles. Geary was my USPS Residential Carrier here in Springdale for many, many, years; and we became great friends! He was one of the kindest, gentlest, Godly men, I've ever met, so while I'm shocked at the news, I know as a devout believer (Geary), he's in God's hands now, and resting well. I hope you are too; or at least as well as you can. I'm struggling too, so I know all too well how your life has just changed.

My beloved wife of 42-years, Maryleen, just went to be with our Lord herself 4-weeks and 1-day ago (March-06th), and Geary had left me a condolence message on the Sisco Funeral Chapel's website a few days later. I had no idea he was sick. I'm so sorry for your loss.

He was a wonderful friend back then, and I know you all had big travel plans in retirement, so I hope you got to make many of those plans come true.

May God be with both of us at this very difficult time. Maryleen and I are both 65, so we're within striking distance of you and Geary. We had travel plans too, but they will now have to wait until we meet again in Heaven.

I will add you to my prayer list.

Shalom | Mazel Tov | God Bless!

Thank you so much for the kind words, and I wish the the best to you also in this time of grief we are both going through. I helped Geary to write the condolence message about your wife because he had already lost the use of his hands. He spoke very highly of you and Maryleen. May God give you comfort and peace.

Dorcas and Diana, It was so special to hear from you after so many years. I still have good memories of the days at the hospital. I hope things are going well with you. I appreciate your prayers and thoughts as I try to find the new "normal" in my life. Geary stood by my side for 50 years and I miss him terribly. But, I know he is not in a wheelchair anymore and he is free of pain and disease in the arms of Jesus.

*Love
Brenda*
