“ I spent the past several years helping take care of Mr. George. He was always so pleasant and a joy to be around. He always knew how to make me crack a smile or lift my spirits when I was down. Everyone here at my clinic were so saddened to hear of his passing. We will continue to keep his family and close friends in our prayers during this time.

“ George was an outstanding bowler! His competitive spirit inspired many of the bowlers at Hillside Lanes to excel, but probably none more than me. He taught me how to concentrate on the task at hand by making a loud noise or shouting something at me while I was delivering a ball down the lanes during practice. His unique coaching style certainly helped me attain two perfect games in that house. I pray that God blesses all of his friends and family.

“ Good afternoon

*Cousin Jim Here, I and George Spent most of our time together playing Cowboy's and Indians when our Families spent time together. I remember warren as "Skipper " during our early family get togethers. Our Mom's thought we were a bunch of Indians most of the time. I remember Uncle Warren telling stories about Walmart or Service from which he had retired. Thanks for the Memories.
