“ *George & Marilyn were good for the golf course community at Flint Ridge. George will be long remembered by many of the golfers still playing at Deervalley golf course. Especially me! Charles Carter*

“ *George and Marilyn, Judd and Delores... What great friends. I grew up with George around, I remember playing the card game "slapjack" in the living room at mom and dad's. Also, he bet my brother Bryan .50 cents that he couldn't "monkey climb" up the door frame. George lost that bet.*
George was so funny and caring. He will be missed.
To the Etherton Family, my deepest condolences. May God comfort you during this difficult time.
