“ I have many memories of my grandpa.... One of my favorites is the time he walked me and my Aunt Ruth up to Carol Ann's on a horse....we got candy and when we left he said "now girls y'all wait till we get back home to open that candy"..... Well we were young and for anyone who knows how far it is from the store to the house then you know it's a long ways....we didn't listen of course and as soon as we opened the candy the horse went crazy and bucked us off on the blacktop road...he tried to get us back on it and told us he said " wait till you get home"....needless to say we walked home from there.
