“ *Georgia has been one of our watercolor painters for several years. I met her at Gentry Sr. Center then when they closed she followed me to Siloam Sr. Center. Every week she would bring to paint class what she had painted at home. She especially worked hard on the portraits of family members. Cherish her work. She painted with love. She is so missed in our class. Lunch at the Center isn't the same without her.*

*With all our love to Georgia from
