“ I was saddened to learn the news of Gerry's passing. I have a lot of fond memories of Gerry. He and I were a year a part in age and so he and I spent a lot of time together when our families got together. I was really glad to meet him when they moved from California to the midwest. We sure had some good times when they lived in Everest, Kansas. Did't see him as much after they moved to Belton, MO but I recall spending a week or two with him and his family down there one summer, Gerry looked out for me.
The last time I talked with Gerry was at his Mom's funeral in Ark. He made me laugh when he said he didn't think he would go back north of the Mason/Dixon Line again; I don't suppose he did. I will miss Gerry but will remember the good times. I hope you, his family, can be comforted by your good memories of Gerry.
