“ I had the opportunity of getting to know Kevin at Welsco where we worked together. I only knew Kevin for six months but here’s one thing I did know. He absolutely loved his wife and his family so much he spoke of you all often. He found joy in talking about his grandbaby, and he loved his family so much. Kevin had a impact on my life. Kevin was always funny but more than that he had a big love for God he shared his faith always giving encouragement. He was often heard listening to worship music in the office. There were many days I was sad coming into work because of all that I was dealing with. He always gave me encouragement and told me God was with me even when I couldn’t feel it. One day recently, I had found a rock that said “Faith over Fear” at the JBU Trail. I shared with him that I found it and I really needed to hear that. There were several days that I saw Kevin not feeling his best and kind of down so I went out to my car and got the rock. I set it on the counter and I said this is for you and he said I really needed to hear that. It stayed by his computer for a couple weeks. I came in one day crying very upset because of so many things going on and he handed me the “Faith over Fear” rock and said it’s your turn for the rock. When Kevin was sick I wanted to give the rock back because it was his turn for it. Kevin gained his wings and didn’t need it though. I can only imagine what he is experiencing! 🙌🙌 Kevin had a deep faith in God and there is no doubt in my mind that he’s rejoicing up in heaven right now free from all pain having the best time of his life. Kevin had a big heart and boy did he love his family. I wrote this to encourage you to believe this is not goodbye, just see you later. Rest in God he has you even in the darkest times he’s there. Your family is in my thoughts and prayers.
