“ I loved Gerald. I haven't seen him in many years, but I loved him. He was my third cousin. He used to call me Cuz. We were in the same class at school. I was a little older than him, but we had a lot of fun together teasing each other. Just having a good time. He was funny. I loved him like a brother. Every time I would see some of the rest of the family I would ask about him. He was a great guy! May God bless All of you at this very sad time. Hang tight to all of the good memories you have of Him. It helps. My blessings to you all. Patty (Holt) Boyle

“ I will never forget the time when Uncle Gerald would sit down with us in Sunday class and ask us what the meaning of faith was. In Hebrews 11:1 Faith is the substance hope for, the evidence of things not seen. I will miss you Uncle Gerald. Love Velve Roller
