“ Those we love remain with us
For love itself lives on,
And cherished memories never fade
Because a loved one's gone.
Those we love can never be
More than a thought apart,
For as long as there is memory,
They'll live on in the heart.

“ *My memories of Dena & her family go back to before we started school. My family would go over and the kids would all play, sometimes in the creek, sometimes we were just wild in the house, and on the bunkbeds! Dena didn't always say a lot, but always had a smile for everyone.*

I remember their 50th anniversary several years ago at the church. She and Bud were so happy, and quite a few friends attended. I am lucky that Dena & Bud raised 4 great kids, who I count as my close friends, who has touched my life.
