“ Gladys was a Dear person. Quite a character!! She used to tease me when my Jack was living and tell me that He was Her fellar!! And She would say that She knew He was my Husband, but Her fellar! All in fun of course. She always had a friendly smile and you just had to Love Her!! To all the Family, I send my prayers for all of you at this very sad time. Just think of all the happiness that She brought to your lives and all the Great memories. I am sorry I cannot attend the service but due to health reasons, I can't .But you are all in my thoughts.
