“ I worked with Glenda at DSB during the time she waited for, then received her liver. She was totally amazing during that time. Her faith taught me so much. Also, she taught me more about banking than anyone else including all the classes I took at 3 different banks. She was an amazing woman and dear friend. Loved her so!

“ I have met very few 'Thessalonians' in my life, but Glenda is one of them. Her love for the Lord is always abounding, it is with her where ever she goes. To all of her family, her visits to SWLA will be truly missed. Our prayers will be with you all in the days and weeks to come.

“ Aunt Glenda. Beautiful heart of our family. Our Nanny's baby sister. Your kindness and beautiful heart made our lives more beautiful and gentle. I'll love you always. I hope Nanny laughed and clapped her hands together as you came closer.

“ *To the family.. my heart breaks for you, your mom was a very special lady. I remember when I first moved here and your mom and dad had met my mom and dad and they would have ice cream on the porch, Many times after William and I got married your mom would pray for us, there were a few years that William and I picked up walnuts down in the back pasture just to make ends meet, your parents were so sweet, I loved getting my hug and kiss from your mom on Sunday mornings -*

Larry, Cheryl, Tony and Family, I was lucky enough to call Glenda and Bud my neighbors as I was growing up. I have so many wonderful memories of all of you. When my Mother passed away, Glenda wrote my sister and I the most beautiful card. I will always remember her gentle spirit. My thoughts and prayers are with all of you!!!!!!!!!!

“ *I will greatly miss her. She is such a sweet lady. She was such a joy to be around and she always lent a listening ear, a shoulder to cry on and a caring heart. She was so full of love. Heaven is blessed to have this sweet soul. She offered me such encouragement when my brother was going through his transplants. I miss and love you, Miss Glenda.*
