“ I was at Darp in 2012 and I Remember Glen taking us out and Working us for just a little while and then always taking us out to eat .It was the little things back then that really helped us and i remember him saying he was in our shoes once and how he moved to Arkansas and life changed .He was always so encouraging .I always have strong memory's of Darp and how Glen was a big part of its structure. He will be missed .

“ Glenn Whitman had a profound impact, not only on my life, but the life of my brother Jay. He fulfilled what many of us strive to do, yet he did it without asking anything in return. He made a "DIFFERENCE". He made this difference in countless lives and for that, his legacy is secure. I loved him. I love his family. And on behalf of the Baker Family in Oklahoma, we will miss him terribly. Thank You Glenn.
