“ I was privileged to have known Penny when I was a younger woman, we worked at Brandom Kitchen in the mid 70's, she always gave excellent advice to me and I wish I had followed her advice more. I also wish I kept up with her whereabouts over the years. It was a blessing to have known her; she will be exceedingly missed by those whose lives have been touched by her.

“ My thoughts and prayers and with all of the family in this time of need. May you find comfort and peace in the Lord. Penny was a very loving caring person and her great granddaughters are going to miss her dearly, they always talk about their visits with grandma and grandpa days after the fact. Jess, my heart goes out to you at this time, she will be dearly missed by all.

“ What a shock! I've known Penny since I was in high school, and that wasn't just yesterday. We worked together at McKee's; she retired and then she cleaned house for us for several years until her arm just couldn't do it any more. She was a worker! You could count on a job well done. I can't believe she is gone! I'll miss her so much! Jess, my heart goes out to you and all your family. In time, may God replace your tears with all the great memories of Penny. /Nora & Bob

“ Penny was always a good friend to my grand daughter Jenna. I appreciated her friendliness in the store at Sleepy Hollow. I didn't know her well but counted her as a friend.
