“ Jack and the rest of your family,

*My heart was saddened when I received the news of Golda Mae's passing. She and Jack spent many a breakfast with my folks, and I had the pleasure of joining them a time or two. She was always complimentary of my playing the keyboard in church. She was next in line after my mother with their compliments. She will be greatly missed. Jack, we will be praying for comfort for you and your beautiful family.*

*With deepest sympathy,
