“ *In loving memory of Leo Shook...*

This wonderful man, I called "Dad", treated me as a daughter from the moment I met him in July 1975 (the year I married his son, Ed). The years since then have been filled with wonderful memories of moments shared, love exchanged, and my fond love and respect for this man who has been wonderful to me, my children/grandchildren, and anyone who I've witnessed in his presence. I wish in my heart that he knows how deeply he is missed as we grieve the loss of him now and continue to remember him with love and fondness in the coming years. I wish Katheryn, "Mom", to know and feel my (our) support in any future needs that she may need to call on, as I love her and grieve with her in this tremendous loss of someone so dear to us. I love you, "Dad"... and you, too, "Mom". Forever Loved & in my prayers, Kathy (Kathleen M. Shook) xoxox
